

## CAMP SUNSHINE SEEKS EXECUTIVE DIRECTOR

Since 1982, Camp Sunshine has been dedicated to creating a sense of place where children with cancer can be kids again. The pending retirement of Camp Sunshine's Executive Director means that the Board of Directors is searching for a dedicated leader to serve as the next Executive Director of this nationally renowned and celebrated Atlanta-based nonprofit organization.

Camp Sunshine began as—and remains—a very special summer camp experience where children with cancer enjoy normal activities supported by a multitude of skilled volunteers and medical professionals. While the two-week summer camp remains its largest event, Camp Sunshine offers a variety of programs throughout the year, including a support system inside hospitals in Atlanta and Savannah. The entire family of children with cancer experience the magical impact of bonds formed with those who share similar challenges and victories.
