#### **Independent Auditor's Report**

To the Board of Directors Camp Sunshine, Inc. Decatur, Georgia

#### **Opinion**

We have audited the accompanying consolidated financial statements of Camp Sunshine, Inc. and its subsidiary (the "Organization"), which comprise the consolidated statements of assets, liabilities and net assets – modified cash basis as of December 31, 2024 and 2023, and the related consolidated statements of revenues, expenses and net assets – modified cash basis and functional expenses – modified cash basis for the years then ended, and the related notes to the consolidated financial statements (collectively, the "financial statements").

In our opinion, the financial statements present fairly, in all material respects, the assets, liabilities and net assets of the Organization as of December 31, 2024 and 2023, and its revenues, expenses and changes in its net assets for the years then ended in accordance with the modified cash basis of accounting as described in Note 2.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Notes to Consolidated Financial Statements – Modified Cash Basis December 31, 2024 and 2023

#### Note 1. Nature of Organization

#### Description of Organization:

Camp Sunshine, Inc. enriches the lives of Georgia's children with cancer and their families through recreational, educational and support programs. From the Organization's formation as a traditional summer camp for children and adolescents who have cancer, the Organization has grown programming to include year round activities for these individuals impacted by cancer along with other programs to offer support for their siblings and families. In addition to providing this programming in the traditional camp setting, the Organization also provides activities at its facility in Atlanta as well as directly within Georgia hospitals.

On December 13, 2005, Camp Sunshine Property Holdings, LLC was formed as a wholly-owned subsidiary of Camp Sunshine, Inc. for the sole purpose of owning and operating real property. Effective January 1, 2006, Camp Sunshine, Inc. deeded the land and buildings it owned to the subsidiary.

#### Note 2. Summary of Significant Accounting Policies

A summary of significant accounting policies and practices used in the preparation of the financial statements follows:

#### Principles of consolidation:

The consolidated financial statements include the accounts of Camp Sunshine, Inc. and its wholly-owned subsidiary, Camp Sunshine Property Holdings, LLC. All intercompany accounts and transactions have been eliminated in consolidation.

#### Basis of accounting:

The Organization prepares its consolidated financial statements on the modified cash basis of accounting. These consolidated financial statements are not intended to represent the assets, liabilities and net assets, revenue and expenses in accordance with accounting principles generally accepted in the United States of America. Under this method, revenues are recognized when collected rather than when earned and expenditures are recognized when paid rather than when obligations are incurred. Consequently, contributions receivable from donors and amounts due to vendors and suppliers are not included in the consolidated financial statements.

If the Organization purchases an asset having an estimated useful life which extends substantially beyond the year of acquisition, the expenditure is capitalized and depreciated over the estimated useful life of the asset. In addition, investment securities are recorded at fair value.

Notes to Consolidated Financial Statements – Modified Cash Basis December 31, 2024 and 2023

#### Note 2. Summary of Significant Accounting Policies, Continued

#### Financial statement presentation:

The Organization is required to report information according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

#### Net assets released from restrictions:

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions.

#### Cash and cash equivalents:

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Organization maintains at various financial institutions cash and cash equivalent accounts which may exceed federally insured amounts at times and may at times exceed consolidated statement of assets, liabilities and net assets – modified cash basis amounts due to outstanding checks. Deposits are insured by the Federal Deposit Insurance Corporation up to \$250,000 of the balance held by each financial institution. As of December 31, 2024 and 2023, the Company had balances with one bank of approximately \$975,000 and \$1,015,000, respectively, in excess of federally insured limits.

#### Investment securities:

Investments are reported at their fair values in the consolidated statements of assets, liabilities and net assets – modified cash basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Unrealized and realized gains and losses are included in the change in net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Realized gains or losses on the sale of marketable securities are calculated using the specific-identification method. Unrealized gains and losses represent the change in the fair value of the individual investments for the year, or since the acquisition date, if acquired during the year. Certificates of deposit included in investments have an original maturity greater than three months and are valued at amortized cost, which approximates fair value.

Notes to Consolidated Financial Statements – Modified Cash Basis December 31, 2024 and 2023

#### Note 2. Summary of Significant Accounting Policies, Continued

#### Investment securities, continued:

The Organization's investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with these investments and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes will occur in the near term that could materially affect the Organization's investment account balances and the amounts reported in the accompanying consolidated financial statements.

#### Beneficial interest in assets:

In 1997, Camp Sunshine Supporting Fund, Inc. (the "Foundation") was established for the sole benefit of Camp Sunshine, Inc. If the Foundation is liquidated, all remaining assets become the property of Camp Sunshine, Inc. The Foundation's Board of Directors must include two members from Camp Sunshine's Board, but a majority of the Foundation's Board members cannot also be on Camp Sunshine's Board. The amount and timing of appropriations to/from the Foundation are at the discretion of the Foundation's Board. The Foundation's Board has no variance power over the use of the assets.

The Organization accounts for its beneficial interest in the assets held by the Foundation at fair value in the consolidated financial statements.

#### **Property and equipment:**

Property and equipment are stated at cost less accumulated depreciation. Expenditures for repairs and maintenance are charged to expense as paid and additions and improvements that significantly extend the lives of assets are capitalized. It is management's policy to capitalize purchases of property and equipment of \$1,000 or more. Upon sale or other retirement of depreciable property, the cost and accumulated depreciation are removed from the related accounts and any gain or loss is reflected in revenue and other support in the consolidated statement of revenue, expenses and net assets – modified cash basis.

Depreciation is provided using the straight-line method over the estimated useful lives of the depreciable assets which generally range from 3 to 39 years.

#### Contributions:

Contributions received are classified as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions.

Notes to Consolidated Financial Statements – Modified Cash Basis December 31, 2024 and 2023

#### Note 2. Summary of Significant Accounting Policies, Continued

#### Income taxes:

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and relevant state regulations. Accordingly, income tax expense is limited to activities that are deemed by the Internal Revenue Service to be unrelated to the Organization's exempt purpose.

#### Estimates and uncertainties:

The preparation of consolidated financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Functional allocation of expenses:

The costs of program and supporting services activities have been summarized on the functional basis in the consolidated statements of revenues, expenses and net assets – modified cash basis. The consolidated statements of functional expenses – modified cash basis present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include salaries, employee benefits, payroll taxes, office supplies, telephone, postage and shipping, repairs and maintenance, travel, printing and publications, conferences and meetings, insurance, utilities, miscellaneous and depreciation and are allocated based on time and effort and direct cost.

#### Subsequent events:

The Organization has evaluated subsequent events for potential recognition and disclosure through August 8, 2025, the date the consolidated financial statements were available to be issued.

Financial assets available to meet general expenditures	<b>.</b>	
over the next twelve months	<u>\$ 1,411,374</u>	<u>\$ 1,518,307</u>

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Organization seeks to maintain liquid reserves targeted as one year's annual budgeted expenditures. In addition, the Organization invests cash in excess of such requirements in short-term investments. Income from donor restricted endowments is restricted for specific purposes and, therefore, is not available for general expenditures.

#### Note 4. Investment Securities

Sally Hale scholarship fund	<u>997,268</u>	997,268
	<u>\$ 15,547,134</u>	\$ 14,893,564

#### Note 8. Endowment

The Organization's endowment consists of a fund established by a donor for preservation of the Organization's headquarters, also known as the Camp Sunshine House. The endowment consists of donor-restricted endowment funds whose original contribution totaled \$1,000,000. Net assets associated with endowment funds are classified and reported based on the donor-imposed restrictions. Endowment assets also include amounts designated by the Board for special projects and scholarships.

In 2022, the Board of Directors established the Sally J Hale Scholarship Fund, an endowment to fund scholarships for alumni. The Camp Sunshine Supporting Fund and the Operations Surplus Fund each contributed approximately \$500,000 to the endowment. These contributions are classified as unrestricted, board-designated net assets. Donor contributions to the fund and unused income generated by the endowment are classified as restricted net assets for student scholarships.

#### Interpretation of relevant law:

The Finance Committee of the Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies net assets with donor restrictions at the original value of the gift donated to the permanent endowment. The donor-restricted endowment fund is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Finance Committee in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund;
- 2. The purposes of the Organization and the donor-restricted endowment fund;
- 3. General economic conditions;
- 4. The possible effect of inflation and deflation;
- 5. The expected total return from income and the appreciation of investments;
- 6. Other resources of the Organization; and
- 7. The investment policies of the Organization.

Notes to Consolidated Financial Statements – Modified Cash Basis December 31, 2024 and 2023

#### Note 8. Endowment, Continued

#### Funds with deficiencies:

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain and as a fund of perpetual duration. Deficiencies of this nature are reported in net assets with donor restrictions. During 2024 and 2023, there were no funds with such deficiencies.

#### Return objectives and risk parameters:

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period(s). Under this policy, as approved by the Finance Committee, the endowment assets are invested in a manner that is intended to attain, at a minimum, a total return to help fund repairs and maintenance and capital expenditures of the Camp Sunshine House.

#### Strategies employed for achieving objectives:

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a high emphasis on mutual funds and equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment net asset composition and changes by type of fund as of and for the year ended December 31, 2024, are as follows:
